STOCK YARDS – OMAHA, NEBRASKA

**SHOW AT 9:00 A.M. – Judge, Harold Thieman,
Concordia, Missouri**

**SALE AT 12:30 P.M. – Auctioneers, C. D. Swaffar
and J. E. Halsey**

SELLING

55 BULLS

10 FEMALES

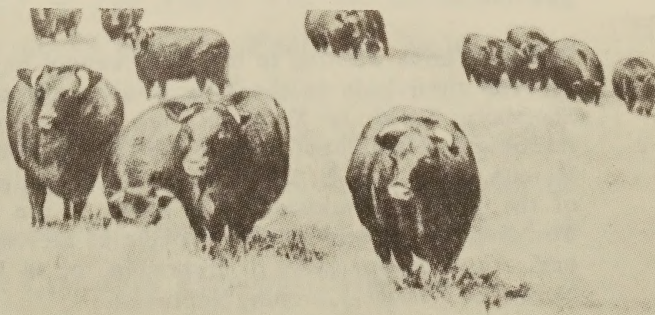

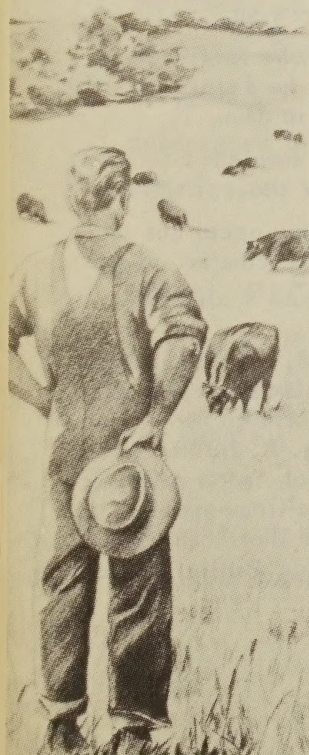

There will be a great array of bulls to select from, ranging in age from 12 months to three years, all of them sound, healthy and fully guaranteed.

There will be bulls for the farmer, rancher and the breeder of top purebred cattle. A new feature this year will be the addition of several groups of three bulls. The sale will afford an opportunity for bull buyers to come and make selection singularly or in volume. The grand champion steer over all breeds at the 1957 Interstate Baby Beef Show was sired by a bull purchased at Omaha in 1955.

There will be a small but choice group of females, especially selected for herd foundation material.

**1957 INTERSTATE GRAND CHAMPION
HIS SIRE WAS PURCHASED AT OMAHA**

"ELVIS" - 1120 lb. Shorthorn steer shown by Charles Bentley, Onawa, Iowa, was grand champion over all breeds at the 1957 Sioux City Interstate Livestock Show, purchased for \$1.05 per pound by the J. C. Penney Company. This steer was bred by G. E. Lane, Onawa, Iowa, and was sired by Fair Acres Watchman 17th. Mr. Lane purchased this bull in the 1955 Omaha Sale and has only 12 mature cows in his breeding herd.

THE GREATEST GROUP OF BULLS EVER OFFERED AT OMAHA

We can personally assure you that no matter where you live or what your herd bull needs are, you can fill them in the Omaha Sale this year. Consignors are really bringing in "the goods." Many great bulls are produced in the herds from a four-state area that contribute to this sale, and this year these breeders have saved their best for Omaha.

There will be 10 young, proven herd sires, including several bulls with outstanding show records at major shows. There will be 35 strong yearlings and two-year-olds ready for heavy service. There will be 10 junior calves from twelve to fifteen months old that include a number of top herd bull prospects.

Plan now to be in Omaha on February 12 to do your bull buying . . . it is the place you will get the most for your money this year.

UEHLAMAR COMBINATION -- is a combination of great Calrossie bloodlines through Calrossie Randolph and Calrossie Souvenir. Having run in the pasture with a herd of cows he is just in breeding condition. His oldest calves are showing up very good and seem to be growing and developing very fast, just as he has done. He has no great faults and certainly has a good disposition. To receive our certified Brucellosis free certificate, we test our herd each year in August, and at the same time tested for Leptospirosis and he tested clean for both.

BRAEMOR PRESIDENT 54th -- here is a bull that we think is even better than our last year's Omaha champion. He has in abundance, the qualities that we Shorthorn men like to publicize: tremendous depth, thickness and ruggedness. His head is as it should be and he stands on short, straight legs. Collynie Flora 19th is a top brood cow and is now in the Nelson Farms herd back in Illinois. Two registered heifers and twelve commercial cows have been mated to this bull. We would have used him more but the purebred heifers in our herd are too closely related.

UEHLAMAR SUPREME -- is a good enough bull that we wanted some of his calves in the herd so we have 15 head bred to him. We think he is one of the best and could carry a lot more fat but his fleshing is smooth and thick with the right kind of a back and conformation throughout. His sire and dam were both good and this Clipper family has been good consistently not only in our herd but in several other herds as well as where we have sold them.
